

TA Domain Peer-to-Peer Discussion Groups

An MA DSRIP TA Program Shared Learning Event

THURSDAY, NOVEMBER 19, 2020

10:30 a.m - 4:30 p.m.

Each TA Domain Peer-to-Peer Discussion Group includes a small group of colleagues from various MassHealth ACOs and CPs. The Discussion Groups provide an opportunity for ACOs and CPs to connect with colleagues, share their experience pursuing TA projects, and ask questions of one another. Discussion Groups are organized by TA Domain. Participants could sign up for TA Domains in which their ACO or CP is considering, currently conducting, or has completed a TA Project, and could register for up to three Discussion Groups.
